

Pending Federal Student Aid Disbursements

Information from your FAFSA and/or the Common Origination and Disbursement (COD) System indicates that you have an active Federal Financial Aid award with pending Direct Loan and/or Pell Grant disbursements at another institution.

Our office is unable to move forward until these pending disbursements have been canceled.

Please contact your current and/or prior university for resolution.

Once CSU is able to confirm that your pending disbursements have been canceled in the COD system, this requirement will disappear from your document list.
